Mornington Yacht Club

Re Optimist State Championships

Good morning Tony,

I would like to formally congratulate everyone at the Mornington Yacht Club, on the superb conduct of the recent Optimist State Championships.

I brought a team of 6 sailors and 1 rib and from the moment we arrived, the hospitality was above and beyond. From the gents helping unload to the tractor drivers, they made it fun and easy. Very impressive.

Please work hard to maintain that relaxed and easy going style, its drifting out of many clubs.

Again, it was a pleasure to be at the Mornington Yacht Club, and I look forward to future events.

Regards

Brian Case  
RGYC

## Donation

Thanks to Russell and Di Kemp for their very generous donation of a pair of binoculars to the Race Tower.

## Membership Drive

The membership at MYC has scope to grow, it is not hard to find yachts on a Saturday short of crew. With this in mind I would like to put out a challenge to all members to try to introduce a new member to the club within this current sailing season. Not only sailing members but also social members after all MYC has excellent facilities.

Not only will the introduction of new members fill those empty spaces on yachts on race days it will also bring important income to the club.

We all know people who attend the club regularly, are enjoying the facilities of the club but are not members, let's all encourage these people to take up membership at MYC.

See attached brochure which will encourage you!
